Charlotte Perriand Berger Stool in Stained Oak

Charlotte Perriand

REF: 1497

Height: 29 cm (11.4")

Diameter: 33 cm (13")

Description

The Berger Stool was originally designed by Charlotte Perriand for her chalet located in Méribel, France. Perriand stated that the inspiration for this beloved stool came from the alpine farming architecture of the region. With simple shapes and honest materials that mimic a milking stool, the Berger Stool provides versatile design options.
